Beautifully designed by noted architect Gordon G. Lewis, Arrowhead Golf Club at Heritage Greens features 18 scenic holes positioned among 16 pristine lakes and rolling fairways. With spacious vegetables and wide landing areas, Arrowhead is friendly with high-hand handicaps. However, better golfers will find the very well-placed bunkers and water hazards a real test of their skills. With four sets of teeth, Arrowhead allows for play at varying degrees of difficulty and at great pace. The Sports Grid, with its great food and drink, is the perfect 19th hole. Facilities are nice. The course was in excellent condition. I found the courses in the area to be overpriced in my opinion, but not Arrowhead. That's worth the price. The course is pretty much lined with houses, but they're at a distance, they're not right on top of the course giving it that tight feel. I thought the course was fair and wide open if you were a higher handicap player. Many varieties of holes. If I'm ever in the Naples area again, I'll definitely return to Arrowhead. This course asks people who don't even know each other to ride on the same cart with no diveller. They just don't care about people, of course! I would skip, given their attitude, I'm sure you don't get a cleared cart either. As far as the course. Avg condition, the layout is good. Nothing special and over priced. It was my 2nd time playing Arrowhead . It was the same as the 1st .. just perfect . Can't wait to go back. The quick green challenged my chipping ability, which needs a lot of work. I chopped through the green on several holes, adding 1-2 strokes where a softer touch and better judgment would have contributed to a better score. Greens and fairways ,were in good condition. Pace of play was good. Play short of the Blue Tees.Would play from the Blacks for a little more challenge. If you go 7 minutes between tee times, please use my hard earned money you've taken from me and use it to speed game or better still move after at least 9 minutes. Do what you've done, take enjoyment away from the game. The pace of play was terrible. have 4 plus to play 15 and then we stop . our teeth time was 915. They scheduled 7 minutes between tee times and had no marshal. I find it completely disrespectful with ownership posting their income over enjoyment. The smell of the recently layer of fertilizer/mulch was so offensive that we had to wear our masks and the two other players in our foursome quit after 9 holes because they could no longer take it. Should have posted a warning. Page 2 17508 courses | 1064925 reviews Avg. Off-Course Amenities Avg. Value for the Money Avg. Staff Friendliness Avg. Played here twice and enjoyed both 18 holes of golf. Greens were in decent shape and it wasn't crowded, but the tee was there around 1am on both days and heard the mornings were very busy. Nice pro shop and the staff were all friendly. Good little restaurant and the drink wagon were readily available. Course layout was fair and rewarded some interesting holes and shot-making more than length off the tee. Will play here again.... HenryChin wrote a review Sep 2019Naples, Florida1,409 contributions193 useful voices This public course is on Imokolee next to where I live doing it's stupidly convenient to get to. I was just the driving range. The driving range is basically a dam with islands with distance flags on then. Beth nice to hit to. It's a little expensive. A bucket of 65,65 is \$15. High compared to another public course I'm going. All in all a nice public course.... Date of experience: September 2019jop2map has written a review Mar 2019582 contributions150 useful voicesArrowhead is an excellent public golf course, easy to reach on Immokalee in North Naples. In the season, the green fees are relatively high at \$135 for several times, but even then, there are lower fees at slightly down peak times. The course itself is well maintained and pretty challenging for golfers at all skill levels. The practice range is conveniently located, and there is a great practice to also place green near the first teeth. I have always found the staff to be friendly and welcoming. A not often mentioned plus: there is a wonderful restaurant with excellent food and service in the clean and pleasant clubhouse, which also hosts an excellent golf shop....
